

## Curriculum Vitae

**Name** Tiiu Paas  
**Date of birth (mm/dd/yyyy)** 09/14/1949  
**Phone** +372 737 6341, +372 5098643  
**E-mail** [tiiu.paas@ut.ee](mailto:tiiu.paas@ut.ee)

### Career

Institution and Position held 2008 - ... University of Tartu, Faculty of Economics and Business Administration, Institute of Economics, Chair of Economic Modelling; Professor (1.00)

1996 - 2005 University of Tartu, Faculty of Economics and Business Administration, Institute of Economics; Head of the Institute Economics. (1.00)

1993 - 1996 University of Tartu, Faculty of Economics and Business Administration; Vice dean for research (1.00)

1992 - 2007 University of Tartu, Faculty of Economics and Business Administration, Institute of Economics, Chair of Economic Modelling; Professor (1.00)

1991 - 1992 University of Tartu, Faculty of Economics and Business Administration; Vice dean for research (1.00)

1979 - 1992 University of Tartu, Faculty of Economics and Business Administration; Associate Professor (1.00)

1978 - 1979 University of Tartu, Faculty of Economics and Business Administration; Assistant (1.00)

1975 - 1978 University of Tartu, Faculty of Economics and Business Administration; Postgraduate student, University of Tartu (1.00)

1972 - 1975 University of Tartu, Faculty of Economics and Business Administration; Researcher, University of Tartu (1.00)

#### Education

1967 - 1972 Diploma in 1972: economics, major in economic modeling (cum laude), Tartu State University, Faculty of Economics

Administrative responsibilities 2009 - ... Vice Chairman of the Council of the Estonian Science Foundation; Chairman of the Expert Commission for Culture and Society of The Estonian Science Foundation

2006 - ... Member of the Board of the ERASMUS Mundus international study program IMESS (International Master of Economics, State and Society), UCL - University College London.

2006 - ... International Association of Spatial Econometrics

2006 - ... Member of the publishing committee of the Tartu University Press

2006 - ... Member of the Estonian Academy of Science experts' commission for awarding national science price

2003 - ... Member of the Socialia Council of the University of Tartu

2001 - ... Reviewer of the scientific journals (Journal of Applied Economics, Economic Systems; Journal of East-West Business, Journal of Baltic Studies, International Economics and International Policy; Journal of Comparative Studies, etc)

1999 - ... Member of the Economic, Social and Human Science Panel of the European Commission

1998 - ... Member of the evaluation commission of the Estonian Foundation of Science

1997 - ... Member of the commissions for accreditation of study programs in economics and business at the universities and high schools of Latvia and Lithuania

1994 - ... Member of the editorial boards of the journals (EMERGO. Journal of Transforming Economies and Societies, 1994-2004; Journal of East-West Business, since 1996); Transition Studies Review, 2004-2008 (CEEUN Journal))

1993 - ... Member of Estonian Statistical Society (1993), Nordic Econometric Society (2000), Society of Estonian Economists, Spatial Econometrics Association (2006), European Regional Science Assotsiation (ERSA) (2002)

1990 - ... Member of the Council of the Faculty of Economics since 1990 and Business Administration, University of Tartu (1999-2003)

2009 - 2014 Estonian team leader of the Norface project "Migrant Diversity and Regional Dsiparities in Europe"

2005 - 2008 Member of the Archimedes experts` commision for awarding students` research price

2004 - 2008 Member of the Executive Board of CEEUN

2002 - 2005 Research associate of the international program “European Integration and Spatial Development” at Hamburg Institute of International Economics (HWWA)

2001 - 2004 Research fellow and national team leader of the international research networks (the Baltic Sea Area Studies: Northern Dimension of Europe, 2001-2004; the Eastward Enlargement of the Eurozone (Ezoneplus), 2001-2004)

2001 - 2004 Interdisciplinary Research Training Program for PhD students (BaltSeaNet)

2001 - 2004 Modeling Economic Development of the Baltic Sea Region (GMJRI 4588)

1999 - 2005 Guest professor and researcher (Wassenaar The Royal Netherlands Academy of Arts and Sciences 1999; Udine University 2000; Humboldt University Berlin 2001; Latvia University 2005; Hamburg Institute of International Economics (HWWA) 2002 , 2005)

1998 - 2002 Informational Support of Decision-Making Process and Modeling Economies in Transition

1997 - 2000

1995 - 1996 Member of the evaluation commission of TEMPUS projects in Estonia

1993 - 2000 Guest professor and researcher of Stockholm University 1993, Baltic Sea Management Academy (BSMA) Master (M. Sc.) Programme 1996, 1998, 1999, 2000 1996. University of Kiel, Institute of Econometrics and Statistics, 1995, University of Toronto 1997

1993 - 2000 Member of the Board of Baltic Sea Management Academy (BSMA) Master Programme

1992 - 1999 Member of the board of the international study and research programs (International University Council for Economic and Management Education Transfer

(UCEMET, coordinated by Stockholm University)

## Research activity

Degree information

**Tiiu Paas**, Doctor's Degree, 1978, (sup) -, Jaekäibe territoriaalse jaotuse planeerimise täiustamine (Eesti näidetel) (Development of methods for planning retail trade in the regions of Estonia), Tallinn, Academy of Science of Estonia, Institute of Economics

Honours & Awards

2009, Tiiu Paas; National Science Award in Social Science

Field of research

Culture and Society, Economics

Culture and Society, Economics (Regional development, spatial econometrics, gravity models, economic development of the Baltic Sea region, labour market and social protection models, employment and innovations. )

Culture and Society, Economics (Econometrics, economic modelling, quantitative methods)

Current grants & projects

Determinants of regional economic growth in the case of Estonia as a small country with post-socialist path dependence

Migrant Diversity and Regional Disparity in Europe

The path dependent model of the innovation system: development and implementation in the case of a small country

Dissertations under supervision

**Andres Kuusk**, PhD Student, (sup) **Tiiu Paas**, Tulutasemete konvergenstsi ja majanduskasvu seos Euroopa Liidu regioonide näitel (The Regional Analysis of the Inequality - growth relationship in the Example of the European Union), **University of Tartu, Faculty of Economics and Business Administration**

**Andres Võrk**, PhD Student, (sup) **Tiiu Paas**, Sotsiaalkindlustuse ja tööturukäitumise vahelised seosed (Essays on social insurance and labour market behaviour), **University of Tartu, Faculty of Economics and Business Administration**

**Egle Tafenau**, PhD Student, (sup) **Tiiu Paas**, Johannes Bröcker, Regionaalpoliitika ja selle efektiivsus uue majandusgeograafia mudelites (Regional policy and its effectiveness in the models of new economic geography), **University of Tartu, Faculty of Economics and Business Administration**

**Kätlin Torgo**, PhD Student, (sup) **Tiiu Paas**, Kiirete struktuursete muutuste mõju haridusele ennak-kasvu staadiumis olevatele riikidele (Impact of fast structural changes on education in small catching-up economies), **University of Tartu, Faculty of Economics and Business Administration**

**Liis Lill**, PhD Student, (sup) **Tiiu Paas**, **Toomas Raus**, Kuritegevuse mõjurid: teoreetilised käsitlused ja empiiriline analüüs (Determinants of crime: theoretical approaches and empirical analysis), **University of Tartu, Faculty of Economics and Business Administration**

**Rasmus Kattai**, PhD Student, (sup) **Tiiu Paas**, Eesti majanduse rakenduslik modelleerimine stohhastilise üldise tasakaalu mudeli raamistikus (Practical DSGE modelling of the Estonian economy), **University of Tartu, Faculty of Economics and Business Administration**

Dissertations supervised

**Alexander Gofman**, Doctor's Degree, 2009, (sup) **Tõnis Mets**, **Tiiu Paas**, Experimentation-Based Product Development in Mature Food Categories: Advancing Conjoint Analysis Approach, **University of Tartu, Faculty of Economics and Business Administration**

**Jaanika Meriküll**, Doctor's Degree, 2009, (sup) **Karsten Staehr**, **Tiiu Paas**,

Technological change and labour demand, **University of Tartu, Faculty of Economics and Business Administration**

**Kaia Philips**, Doctor's Degree, 2002, (sup) **Tiiu Paas**, The changes in valuation of human capital during the transition process in Estonia (The changes in valuation of human capital during the transition process in Estonia), **University of Tartu, Faculty of Economics and Business Administration**

**Raul Eamets**, Doctor's Degree, 2001, (sup) **Tiiu Paas**, Reallocation of labour during transition. Disequilibrium and policy issues: the case of Estonia (Reallocation of labour during transition. Disequilibrium and policy issues: the case of Estonia), **University of Tartu, Faculty of Economics and Business Administration**

**Liis Lill**, Master's Degree, 2007, (sup) **Tiiu Paas**, **Toomas Raus**, Kuritegevuse ruumiökonomeetriline modelleerimine Eesti omavalitsuste näitel. (Spatial econometric modelling of crime: an analysis of Estonian municipality level data.), **University of Tartu, Faculty of Economics and Business Administration**

**Alari Paulus**, Master's Degree, 2006, (sup) **Andres Võrk**, **Tiiu Paas**, Maksude ja toetuste ümberjaotuslike mõjude hindamine mikrosimulatsioonimudeli abil Eesti näitel (Estimating the redistributive impact of taxes and benefits using a microsimulation model: The case of Estonia), **University of Tartu, Faculty of Economics and Business Administration**

**Andres Kuusk**, Master's Degree, 2006, (sup) **Tiiu Paas**, Tulutasemete konvergenksi analüüs Euroopa Liidu regioonide näitel, **University of Tartu**

**Mariana Väli**, Master's Degree, 2006, (sup) **Tiiu Paas**, Innovatsioonide ja tööhõive vahelised seosed Ida-Virumaa põlevkivitööstuse ettevõtete näitel (The relationships between innovation and employment: the case of the oil-shale manufacturing firms of Ida-Virumaa), **University of Tartu, Faculty of Economics and Business Administration**

**Eve Tõnisson**, Master's Degree, 2003, (sup) **Tiiu Paas**, Gravitatsioonimudelite kasutamine otseste välisinvesteeringute geograafilise struktuuri modelleerimisel Läänemere regiooni näitel, **University of Tartu, Faculty of Economics and Business Administration**

**Jaanika Meriküll**, Master's Degree, 2003, (sup) **Tiiu Paas**, **Andres Võrk**, Makroökonomeetiline modelleerimine Eesti majanduse näitel (Macroeconometric modelling on an example of Estonian economy), **University of Tartu, Faculty of Economics and Business Administration**

**Kadri Lossman**, Master's Degree, 2003, (sup) **Tiiu Paas**, Inimkapitali välismõjud ja palkade regionaalsed erinevused Eestis, **University of Tartu, Faculty of Economics and Business Administration**

**Raoul Lättemäe**, Master's Degree, 2003, (sup) **Tiiu Paas**, Euroopa Liidu riikide ja kandidaatriikide majandusšokkide ning makromajandusliku stabiliseerumisdünaamika võrdlus, **University of Tartu, Faculty of Economics and Business Administration**

**Egle Tafenau**, Master's Degree, 2002, (sup) **Tiiu Paas**, Majanduskasvu modelleerimise võimalused Läänemere regiooni näitel (Modelling of economic growth: the example of the Baltic Sea Region), **University of Tartu, Faculty of Economics and Business Administration**

**Mario Lambing**, Master's Degree, 2001, (sup) **Tiiu Paas**, Läänemere riikide vaheliste kaubavoogude modelleerimine, **University of Tartu, Faculty of Economics and Business Administration**

**Riia Arukaevu**, Master's Degree, 2001, (sup) **Tiiu Paas**, Hariduse mõju palkade ebavõrdsuse muutumisele Eestis, **University of Tartu, Faculty of Economics and Business Administration**

**Andres Võrk**, Master's Degree, 2000, (sup) **Tiiu Paas**, Inflatsiooni määramatus ja selle

modelleerimine Eesti näitel (Modelling inflation uncertainty. A case of Estonia), **University of Tartu, Faculty of Economics and Business Administration**

**Karin Jõeveer**, Master's Degree, 2000, (sup) **Tiiu Paas**, Väliskaubakäibe geograafiline struktuur Balti riikides ja selle modelleerimise võimalused, **University of Tartu, Faculty of Economics and Business Administration**

**Katrin Tamm**, Master's Degree, 1999, (sup) **Tiiu Paas**, Riigirisk ja selle hindamine siirdemajanduses, **University of Tartu, Faculty of Economics and Business Administration**
